## Playful Puppy Playtime

### Only \$5

Your puppy will get a chance to socialize with a variety of other breeds. Exposing puppies to other dogs early in their life is crucial for future experiences with dogs. Puppies need to learn how to play and get along with other dogs. In addition to socializing with other dogs, playful puppy playtime allow your puppy to socialize with other people.

**Saturday 10:30am-12 pm**

**Wednesday 6:30-8 pm**

5 day socialization pass for \$20

Did you know???

Socialized pups are typically happier, friendlier, more predictable and able to handle stress better. Under-socialized pups often grow to become fearful, shy, anxious, and sometimes even fearfully-aggressive adult dogs because they lack the skills to cope with new situations.
